**Subject :- Monthly Inspection Programme.**

**CIRCULAR**

It has been observed that regular inspections are not being carried out by the Legal Metrology Officers (LMOs) in their respective areas of jurisdiction, thereby the consumer's grievances are increasing day by day.

In order to cover all business establishments and traders in every nook and corner of the district, a well planned market inspection roster needs to be prepared and followed by the concerned Legal Metrology Officers (LMOs).

It is therefore enjoined upon all LMOs to prepare and maintain an advance monthly inspection roster and forward a copy to same to this office before the beginning of each month. Circular instruction is issued for strict compliance and future course of action. In case, there is any need for altering the inspection roster, due to official exigencies, the District Head shall make necessary changes and keep the slots available for the areas yet to be inspected.
